

## To Qualify for Help

You must have a job and work at least 30 hours or go to school. You will need proof of you being in school and taken at least 12 credit hours. For proof of you working at least 30 hours, you will need your last 4 check stubs showing your work hours.

You can not be getting help from any other program to get help from this program. You will have a small co-pay. So call me and enroll today and get help that you need up to at least 6 months.

2 people in the house can make up to 2,966.00

3 people in the house can make up to 3,664.00

4 people in the house can make up to 4,362.00

5 people in the house can make up to 5,060.00

6 people in the house can make up to 5,758.00

Other Benefits you may not know about:

You may work for a company that will help with childcare. Ask the company you work for do they give benefits for childcare. (meaning reimburse you for licensed daycares providers).
